

# **Operational Updates - Tutorial**

Discover the new features of the website

# Quick Order Upload

- By clicking on “Quick Order”, you will now find the new “Upload a .csv file” section.

**1** Clicking the download button downloads the sample file “order-import-example.csv”.

The screenshot shows the Nuova Ricambi website interface. At the top, there is a navigation bar with the logo "NUOVA RICAMBI ONE STOP SHOP" on the left, and search and filter options on the right, including "Brand", "Spare part type", and a search input field with a magnifying glass icon.

The main content area is divided into two sections:

- Quick order:** This section features a lightning bolt icon and the text "Quick order". Below it, there is a prompt "Insert code/description and desired quantity" and a table with four columns: "Insert code or description\*", "Quantity\*", "Price", and "Description". Each column has a corresponding input field. Below the table is a grey button labeled "ADD TO CART".
- Upload a .csv file:** This section has a grid icon and the text "Upload a .csv file". It includes a file selection area with a "Sfoglia..." button and the text "Nessun file selezionato.". Below this is a black button labeled "IMPORT TO THE CART".

To the right of the "Upload a .csv file" section is a "How it works" section with the following text:

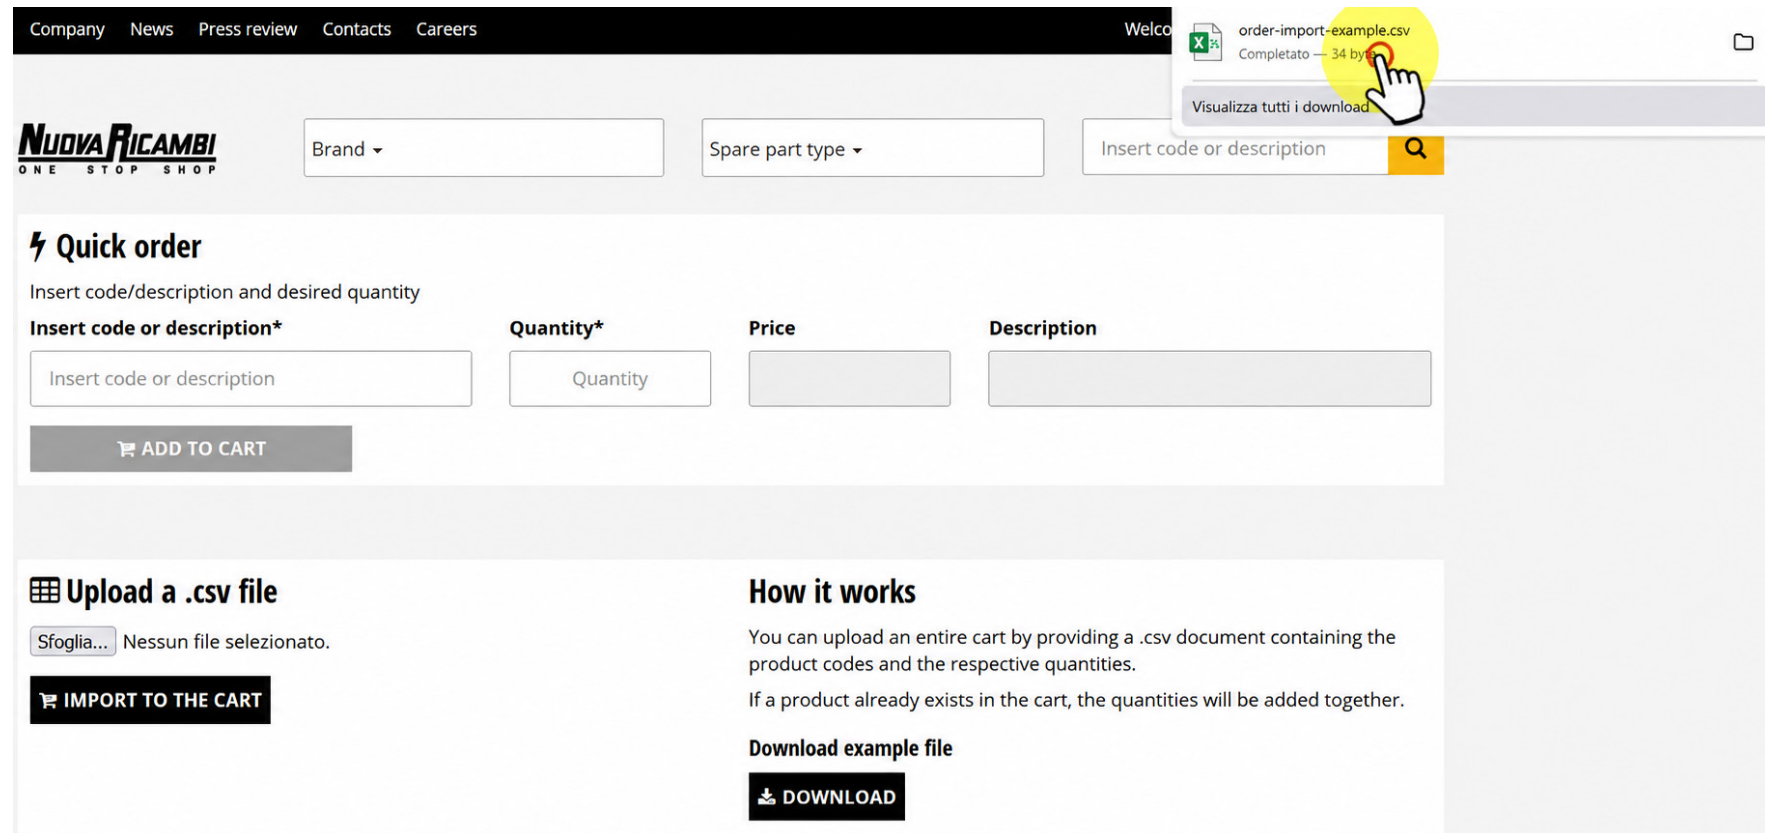

**How it works**  
You can upload an entire cart by providing a .csv document containing the product codes and the respective quantities.  
If a product already exists in the cart, the quantities will be added together.

Below the "How it works" section is a "Download example file" section with a "DOWNLOAD" button. A yellow circle highlights this button, and a hand cursor icon is shown clicking on it.

At the bottom of the page, there is a footer with the following information:

- Nuova Ricambi srl**  
Via dei Mille 20  
20061, Carugate (MI) - Italy
- Phone +39 02 92 53 205
- Follow us: icons for Facebook, Instagram, LinkedIn, and YouTube.
- A logo for "MEMBER 2022" with a stylized 'S' and 'R'.
- Warning.**  
The brands you find appear with the only purpose of reference and belong to the respective owners.

2 Click on the file you just downloaded.

The screenshot shows the top navigation bar of the Nuova Ricambi website with links for Company, News, Press review, Contacts, and Careers. A download notification for 'order-import-example.csv' (34 bytes) is visible, with a hand icon pointing to it. Below the navigation is the website logo and a search bar. The 'Quick order' section features a form with fields for 'Insert code or description\*', 'Quantity\*', 'Price', and 'Description', and an 'ADD TO CART' button. The 'Upload a .csv file' section includes a file selection button and an 'IMPORT TO THE CART' button. The 'How it works' section explains the process of uploading a CSV file and includes a 'DOWNLOAD' button for an example file.

# New interactions within the diagrams

- Hovering over items displays a pop-up with thumbnail, description, and price.
- Clicking on an item opens a side panel for quick add-to-cart.

The screenshot displays the Nuova Ricambi website interface for coffee machine spare parts. At the top, there are search bars for part numbers, machine models, and descriptions. The breadcrumb trail indicates the user is in the 'COFFEE MACHINE SPARE PARTS' section for the 'FIAMMA RST 03' model. The main content area features a detailed technical diagram of the steam tap assembly, with various components labeled with part numbers and descriptions. The diagram includes a complete steam tap (620426), a steam tap lever spring (620563), a steam tap shut-off (612220), and a complete shank (620267). Other parts shown include O-rings (700276, 407060, 406006, 407050), a water inlet (520015), and various nuts and washers (620316, 529570, 518558, 545500, 545128, 545129). The diagram is titled 'FIAMMA RST Tab.03'. On the right side of the diagram, there are two yellow buttons: 'REQUEST MORE INFORMATION' and 'PRINT DIAGRAM'. Below these buttons, there is a text prompt 'Select the item in the diagram' with a cursor icon.

## **Improvements for orders and international customers**

- The quick order feature now also suggests the correct order multiples.
- Customers outside Italy can now view product weights.

## **Automatic cart reminder**

- Every 7 days, customers with items in their cart receive a summary email inviting them to complete their order.

## **Improved search**

- Search now works with both single and multiple keywords.
- Quick search and standard search now work the same way.

# Wishlist feature (Favorites)

- Products can now be added to the wishlist directly from the product page.

The screenshot shows the Nuova Ricambi website interface. At the top, there is a navigation bar with links for Company, News, Press releases, Contact us, and Work with us. On the right, it displays 'Welcome Paolo Bonacina', a language selector for EN, and a shopping cart icon with '17' items. Below the navigation bar, the Nuova Ricambi logo is on the left, followed by two filter dropdowns: 'Filter by brand' and 'Filter by spare part type'. A search bar on the right contains the text 'Search by code or description' and a magnifying glass icon.

The main product section is titled 'PROFESSIONAL AUTOMATIC TAMPER'. It features a large central image of the tamper machine with a green 'PROMO' badge in the top right corner. To the left of the main image are four smaller thumbnail images of the same machine from different angles. Below the main image, there are several icons representing product features: an Italian flag, a 'Made in Italy' seal, a 'CE' mark, a 'RoHS' mark, and a 'REACH' mark.

On the right side of the product image, the product code '615003' is displayed. Below it, the list price is shown as ~~€ 1,300.00~~ and the current price as € 650.00. A purple circle with a star icon indicates that the product has been added to the wishlist. A green banner below the price shows 'Promo: € 190.00'. The text indicates a 'Minimum quantity to purchase: 2' and that 'This promotion is valid while supplies last'.

A table titled 'NET PRICE PER QUANTITY' shows the following data:

Quantity	Net Price
100 PCS	€ 250.00
200 PCS	€ 150.00
300 PCS	€ 90.00

Below the table, the 'QUANTITY' section shows a 'Minimum order: 5 pcs' and a quantity selector set to '1'.

- The wishlist can now be viewed directly from the account menu.

The screenshot shows the Nuova Ricambi website interface. At the top, there is a navigation bar with links for 'Company', 'News', 'Press releases', 'Contact us', and 'Work with us'. On the right side of the navigation bar, it says 'Welcome Paolo Bonacina' with a dropdown arrow, a language selector for 'EN', and a shopping cart icon with '17' items. Below the navigation bar is the 'NUOVA RICAMBI ONE STOP SHOP' logo. There are two filter boxes: 'Filter by brand' and 'Filter by spare part type'. A search bar is labeled 'Search by code or description'. The main product section is titled 'PROFESSIONAL AUTOMATIC TAMPER'. It features a large image of the tamper with a 'PROMO' badge. To the left of the main image are four smaller thumbnail images. On the right side of the product page, there is a price section showing the list price as '€1,300.00' and the promotional price as '€650.00'. A green badge indicates a 'Promo: €190.00' discount. Below the price, it states 'Minimum quantity to purchase: 2' and 'This promotion is valid while supplies last'. A table titled 'NET PRICE PER QUANTITY' shows the following data:

Quantity	Price
100 PCS	€ 250.00
200 PCS	€ 150.00
300 PCS	€ 90.00

Below the table, there are icons for the Italian flag, a globe, a trophy, and a clipboard. The 'QUANTITY' section shows a 'Minimum order: 5 pcs' and a quantity selector set to '1'. A purple box highlights the 'Wishlist' button in the account menu.

- The wishlist allows users to edit quantities, add items to the cart, and remove products.
